I hope this research
will serve as a guidebook
for every teachers
who teach English.

3 The characteristics of autism

(1) What is autism?

autism → 自閉症

(2) Strong points

- High concentration
- Careful

(3) The characteristics

- They are particular about specific things that they like.
- They feel difficult to communicate.

etc...

4 What they can do by speaking English

For students who have special needs

@KIYOSUKU

He could say "thank you".

(He always couldn't say
“ありがとう” in Japanese.)

5 Research question

- What is the difference in attitude that autistic students have between English and other classes?
- What kind of activities are they most likely to understand?
- How can students who have autism and students with no special needs be taught efficiently?
